2019 Strategic Plan

**Prevention &  
Early Intervention**

Treatment &  
Recovery

Law Enforcement &  
Criminal Justice

# Goal 1: Develop and support statewide prevention and early intervention efforts.

- A. Conduct **Statewide Data Profile** on the **correlation of trauma on at-risk populations** and substance abuse.
- B. Engage federal, state and local government agencies along with faith community and business partners to **develop and disseminate targeted, community-based materials to address the misuse and abuse of prescribed and illicit substances.**
- C. Review current state laws and programs governing or addressing substance abuse prevention and **recommend any changes that would enhance the effectiveness of the laws or programs.**
- D. Conduct an **inventory of all substance abuse prevention funding** and recommend **standard evaluation parameters** for substance abuse prevention in the state of Arizona.

Prevention &  
Early Intervention

**Treatment &  
Recovery**

Law Enforcement &  
Criminal Justice

## Goal 2: Increase access to substance abuse care and recovery services.

- A. Develop an **interagency marketing strategy** for the promotion of the Arizona Substance Abuse Provider locator and the Opioid Assistance & Referral (OAR) Line.
- B. Review current state laws and programs governing or addressing substance abuse treatment and recovery and **recommend any changes that would enhance the effectiveness of the laws or programs.**
- C. Conduct an inventory with recommendations of all **substance abuse treatment and providers, network capacity and funding in the state of Arizona** including providers with services available for **pregnant women and/or women with substance exposed newborns.**

Early Intervention

Treatment &  
Recovery

**Law Enforcement  
& Criminal Justice**

## Goal 3: Support law enforcement and criminal justice initiatives aimed at reducing substance abuse and that promote public safety.

- A. Provide strategic support and oversight to the **Second Chance Act grant on recidivism reduction** administered by the Arizona Department of Corrections.
- B. Review current state laws and programs governing enforcement and **recommend any changes that would enhance the effectiveness of the laws or programs.**
- C. Research potential **technology based solutions to enhance the availability of substance abuse treatment and recovery resources** from the point of admission in the Department of Corrections to the point of release and community reintegration and prepare a recommendation report of promising solutions.
